PROFILE

Seasoned design professional based in Pittsburgh, PA, with 15+ years of experience designing, building, and developing creative experiences that help companies grow. I lean on my meticulous attention to detail and absolute passion for design to help me transform abstract concepts into captivating and memorable visual solutions.

EDUCATION

Bachelor's Degree in Visual Communication & Design,   **Minor in Marketing**   Kent State University, Kent, OH   2001 - 2007

PAST EXPERIENCE

JazzHR, Employ Inc.   **Senior Brand Designer** ● **November 2012 - March 2024**

As the senior designer at JazzHR (formerly The Resumator), I created numerous visual assets and digital properties that helped lead to acquisition in 2021. Following JazzHR's acquisition, I played a key role in launching Employ as the parent brand for several additional acquired companies, designing brand identities and various marketing materials. I also provided ongoing design support for JazzHR and NXTThing RPO, and contributed to projects for Lever and Jobvite as needed.

Mirage Marcom   **Art Director/Lead Designer & Web Developer** ● **April 2010 - November 2012**

At Mirage I served as the interactive art director, lead interactive designer, and lead interactive programmer.
I also provided creative and design support to the print department.

Exchangebase/Maxxum Group   **Art Director/ Lead Designer** ● **May 2009 - May 2010**

As a member of the in-house creative & design department for Exchangebase, a start-up SaaS company that provides a trading platform for buyers and sellers of recycled materials, I executed user experience design, branding, and eMarketing.
